A Note of Thanks...

I would like to thank everyone for all the help and support. A special thank you to all of the first responders, especially our Fire Department. The support from everyone has been incredible and much appreciated. This kind of support in good times and bad is what makes this community so great! Thanks again and God Bless all of you!

Smoke and Carbon Monoxide Detectors

Remember all Village Residents can receive free smoke detectors from the Village Office. In addition, Carbon Monoxide detectors are available for \$20 each. Please remember to check your alarms regularly and install new batteries twice a year. Also remember to talk with those in your home regarding what to do in case of a fire and establish a fire exit plan. Each member should know 2 ways out of their residence and have a meeting point once they escape.
